July, 2016
Investment Performance
for
The Community Foundation for Greater New Haven, Inc. *

The externally compiled investment performance results for the periods ended 31 June 2016 for The Community Foundation for Greater New Haven, Inc. ("The Corporation"), including for those funds held at The Valley Community Foundation under an affiliation agreement.

The investment performance figures, Market Benchmark and other market benchmark results are expressed as percentages, annualized for periods of one year or longer, and where:

- “Blue” highlight denotes performance above or equal to the Market Benchmark;
- “Red” highlight denotes performance below the Market Benchmark;
- “Green” highlight denotes the Corporation's Market Benchmark;
- “Brown” highlight denotes Passive Market results; and
- “Black” highlight denotes the Morningstar’s Moderate-Allocation results.

1 Investment data was externally reviewed and reported on 18 August 2016 (updated) by Colonial Consulting LLC, New York, NY. Past performance is no indication of future results. The materials are provided for information purposes only, and do not constitute investment advice or an offer or solicitation to buy or sell any security, service, or investment product. Returns are calculated by Colonial Consulting, LLC, New York, NY, and are presented net of expenses. Net of expenses means net of third-party aggregate Sub-advisory expenses. The aggregate Sub-advisory expenses are the cumulative actual expenses incurred by each Sub-advisor in the Corporation’s Commingled Fund.

2 The inception date of January 1, 1995, or 21.58 years.

3 The market benchmark is equal to the rate of return produced by specific market indices representing the asset classes contained in the asset allocation model, with such market indices weighted in accordance with that model. The market benchmark that correspond to the long-term asset allocation model includes: 50% MSCI All Country World Index; 10% HFRI Hedged Equity Index; 10% HFRI Fund of Funds Index; 5% S&P 500 Index; 5% NCREIF Real Estate Index; 5% JP Morgan EMBI Plus Index; 5% Citigroup World Government Bond Index; 5% Barclays Long Treasury Index; and 5% Citigroup Inflation Linked Index.

4 The passive market results represent 60% of the MSCI AC World Index and 40% of the Barclays Capital Aggregate.

*The Community Foundation for Greater New Haven, Inc. is a Connecticut registered investment adviser.
